*KTH Royal Institute of Technology
Stockholm, Sweden
1st of June 2021*

Zihan Qiao has been employed as a Digital Ambassador at KTH Royal Institute of Technology from 2020 until 2021.

Through competence, pride, and aptitude Zihan Qiao has served and supported Sweden's most prestigious technical university - KTH Royal Institute of Technology. By this, Zihan«First_Name» has been a strong part of one of Europe's key centres of innovation and intellectual talent. This work has helped the university to keep up its international reputation for excellence and ultimately to continue to nurture the world's brightest minds and helping to shape the future.
